

## Catering and Special Orders

Whittier Farms is proud to bring our family's favorites to your family or business for every occasion. Whether it's tonight's dinner or several pans for a graduation party, we're here for all your moments. We are dedicated to keeping agriculture alive and well which means we try to use as much of our own or local products as they are seasonally available.

As we make all of our food from scratch, we do request a minimum of three days notice for all special/catering orders, unless other accommodations are made directly with the kitchen staff.

We also ask for all special orders to be paid in full at the time of ordering, again unless other accommodation are made with the kitchen staff directly. Allergies/dietary restrictions must be noted at the time of ordering. Please note that our kitchen is not a nut-free facility.

The following menus are a guide and we are happy to work with you to create a great menu for your function. Our listed prices reflect customer pick-up at our store during normal business hours with meals/soups unheated. Accommodations for picking up hot food or delivery of hot food are available, just speak to our staff.

*Items Highlighted in Grey are Regularly Available at the farm store.*

*Our daily selection does vary with our kitchen's schedule.*
